

WELCOME TO THE ARCTIC CAPITAL

Welcome to the largest city and port in Arctic Norway.

Tromsø – Gateway to the Arctic has throughout history been the starting point for expeditions and adventures in the high north. Tromsø has a strategic location to fishing- and offshore fields in the Norwegian Sea and Barents Sea, and is a popular destination for tourism.

Today Tromsø is a knowledge based city and an important logistics-hub in the Arctic. With a well-developed infrastructure and service industry we are a one-stop-shop for ocean industries.

The city has a vibrant cultural life with theatres, cafés and restaurants. A number of nice hotels with high capacity accommodates visitors.

Tromsø is the destination in Norway having most activities to offer all year round. Most of them will include nature based experiences.

WELCOME TO TROMSØ!

Situated at

69 DEGREES NORTH

With the pure arctic air filling our lungs every day, we thrive where most people might think it is near impossible to exist – nearly 70 degrees north, in Northern Norway's largest city.

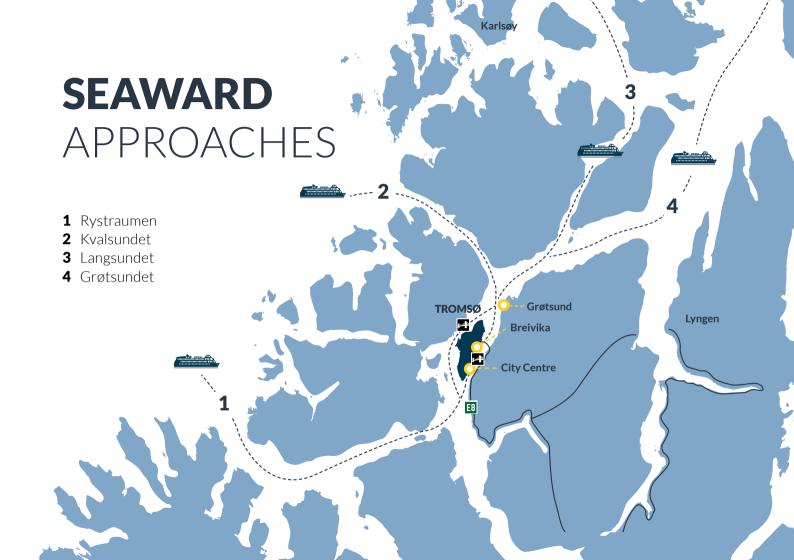

In Tromsø we are blessed with two wonders of nature which light up our lives; the **Northern Lights** and **the Midnight Sun.**

Food is one of Northern Norway's many temptations with some of the worlds best products from both land and sea. Our competent chefs truly know how to utilize local ingredients to give guests a treat!

ALL YEAR ROUND **EXCURSIONS**

Since Tromsø enjoys daylight around the clock at summertime, excursions can be arranged during morning, afternoon and night time. This extends the capacity of activities, buses and guides as it can be used several times during the same day.

Tromsø is a popular destination all year round. Thanks to the Gulf Stream, costal Norway has a milder climate during winter time compared to other destinations at same latitude.
